EDUCATION

Bhangar Mahavidyalaya | University of Calcutta
2020-2023

Diploma in Computer Applications & Web Development

Computer Course

Completed practical training in computer basics, web development, and design tools. Gained hands-on experience in website creation and digital skills.

ABOUT ME

I am a passionate Web Developer with skills in modern web technologies. I focus on building responsive, user-friendly websites and always aim to deliver high-quality results. I'm committed to continuous learning and improvement.

EXPERIENCE

Lead Web Developer

January 2023- August 2025

Designed and developed websites for local businesses. Also handled branding, logo design, and social media graphics using tools like Adobe Photoshop and Illustrator.

Senior Web Developer

Developed modern, responsive websites using WordPress and Elementor, combining both development and design expertise. Delivered visually appealing and user-friendly interfaces while meeting client-specific requirements and performance goals.

Junior Developer

March 2018- December 2020

Started working on small client and personal projects while learning the basics of web development. Focused on building simple and clean websites, understanding client needs, and improving design and development workflow.
